INTERVIEW SUMMARY

Sir:

This paper is being filed in response to the Interview Summary dated May 16, 2003.

Initially, Applicant respectfully submits that this Summary is not required since the Examiner initiated the interview and the interview only pertained to procedural matters. However, newly amended section 713.04 of the MPEP and form PTOL-413 apparently indicate that form PTOL-413 is not considered a complete record of an interview, and it remains Applicant's responsibility to record the substance of the interview.

During the interview of May 13, 2003, the Examiner confirmed that the Office Action dated January 30, 2003 was a non-final Office Action, and that the response filed on April 28, 2003 will be considered a response to a non-final Office Action. During the interview, no exhibit was shown, no demonstration was conducted, claims were not discussed, nor was any prior art discussed.

Should the Examiner require anything further to place the application in condition for allowance, the Examiner is invited to contact Applicant's undersigned representative at the number listed below.
